**** IMPORTANT INFORMATION -- PLEASE READ THOROUGHLY ****

All pets must be current on their annual Physical Exam and the following vaccinations: Distemper, Parvovirus, Leptospirosis, Rabies, and Bordetella (dogs). If your pet has been vaccinated at another hospital or clinic, verification is needed. If no verification is given or we call your veterinarian and find that vaccinations are not current, a physical exam and the necessary vaccinations will be given. Please understand that this is for the safety of your pet and our other boarders. You will be financially responsible for the cost of the physical exam and vaccines.

Animal Medical Hospital follows the North Carolina State University Veterinary School guideline that all dogs should be vaccinated for kennel cough every 6 months. If your dog has not been vaccinated within the past 6 months for kennel cough, we will vaccinate to keep your pet and our other boarders safe from this very contagious disease.

Your pet will not be seen by a veterinarian unless you request it or a technician notices a problem and brings it to the attention of the veterinarian. Sometimes it is not possible to leave a problem untreated until you return. These conditions will be treated as conservatively as possible and we will make every attempt to contact you. Examples of this are urinary difficulties, diarrhea, vomiting, not eating, not defecating, and coughing.

I hereby certify that I have read and fully understand this authorization for boarding my pet at Animal Medical Hospital. I assume financial responsibility for all charges incurred to the above pet and agree to pay all such charges at the completion of this visit. I further understand that in the event of an emergency or illness my pet will have receive treatment at my cost, that there is no guarantee of successful treatment, and that the veterinarian will contact me as soon as possible.

Date _____

**This signature will be valid for one year.

CAMP AMH RULES

Our kennel opens at 7:00am and closes at 8:00pm.

A \$30.00 late fee is applied if you drop off early or pick up late.

No toys are allowed.

Bedding will be gladly provided. We accept bedding **only** with the understanding that it is considered a donation and **will not** be returned to owner.

Food containers are not returned. Please bring special foods in clearly marked bags.

Puppies under 6 months of age must board our Puppy Package. This includes 3 walks, boarding in a Deluxe Run, and a puppy bath at an additional charge.

Puppies 6 months - 9 months must board in a Deluxe Run and have a puppy bath at an additional charge.

We do not recommend that your pets board together. If you would like them board in the same run, you will need to sign a release for each time they board. Also, you will have to pay for the run as well as the smaller kennel size.

Carriers left with us need to be clearly marked. If not, we will write your name and the name of the pet in permanent ink on the carrier.
